ROSS VALLEY FIRE DEPARTMENT
STAFF REPORT
December 4, 2013

TO: Ross Valley Fire Board of Directors

FROM: Debra Stutsman, Executive Officer

SUBJECT: Review of JPA Agreement

For the meeting of December 11, 2013

RECOMMENDATION

That the Board of Directors review the proposed JPA amendment regarding the addition of a Management Committee and the conduct of closed sessions with the member agencies.

BACKGROUND

The Town of Ross joined the Ross Valley Fire Department on July 1, 2012. A First Amendment to Amended and Restated Joint Powers Agreement was prepared and approved by all four jurisdictions, effective July 1, 2012.

DISCUSSION

The merger of the agencies is now just over a year old and several issues have arisen that the Board has requested be addressed in a Second Amendment to Amended and Restated Joint Powers Agreement.

1. **Executive Officer** – Currently the Fire Chief reports to the Board through the Executive Officer. The Executive Officer is responsible to provide administrative direction to the Fire Chief. The appointment of Executive Officer is for a two year term and rotates between the three Town Managers. With the addition of a third municipality, the Town Managers have recognized the need to keep all three Town Managers in the communication channel on a regular basis. To that end, the Managers are meeting regularly to discuss current Fire Department issues. The formation of a Management Committee would formalize the role of the three Town Managers in the JPA. It is anticipated that the Executive Officer would continue to rotate between the three Towns, but the Management Committee would meet monthly (and as needed) to review the Board agenda and any other current issues. The Executive Officer would essentially serve as the head of the Management Committee.

2. **Closed Session** – The Government Code has a specific section dedicated to disclosure of closed session information to local agency members of a JPA, as follows:

   § 54956.96. Disclosure of specified information in closed session of joint powers agency; Authorization of designated alternate to attend closed session; Closed session of legislative body of local agency member

AGENDA ITEM # 9
Date 12/11/13
(a) Nothing in this chapter shall be construed to prevent the legislative body of a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, from adopting a policy or a bylaw or including in its joint powers agreement provisions that authorize either or both of the following:

(1) All information received by the legislative body of the local agency member in a closed session related to the information presented to the joint powers agency in closed session shall be confidential. However, a member of the legislative body of a member local agency may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that member local agency for purposes of obtaining advice on whether the matter has direct financial or liability implications for that member local agency.

(B) Other members of the legislative body of the local agency present in a closed session of that member local agency.

(2) Any designated alternate member of the legislative body of the joint powers agency who is also a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the joint powers agency in lieu of a local agency member’s regularly appointed member to attend closed sessions of the joint powers agency.

(b) If the legislative body of a joint powers agency adopts a policy or a bylaw or includes provisions in its joint powers agreement pursuant to subdivision (a), then the legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the joint powers agency pursuant to paragraph (1) of subdivision (a).

An amendment to the JPA agreement incorporating the above language would allow the member agencies to discuss closed session issues with individual Town/District legal counsel, his/her alternate, and other members of the full legislative body of the specific member in closed session when there are direct financial or liability implications for the member, as outlined in the Brown Act.

CONCLUSION

The Executive Officer and Fire Chief have worked with legal counsel to bring forward the attached draft amendment to the JPA Agreement, incorporating the above two changes. If approved by the Board of Directors, the second amendment must be approved by the individual Town Councils/Boards of the four member agencies.

Respectfully submitted,

Debra Stutsman
Executive Officer
